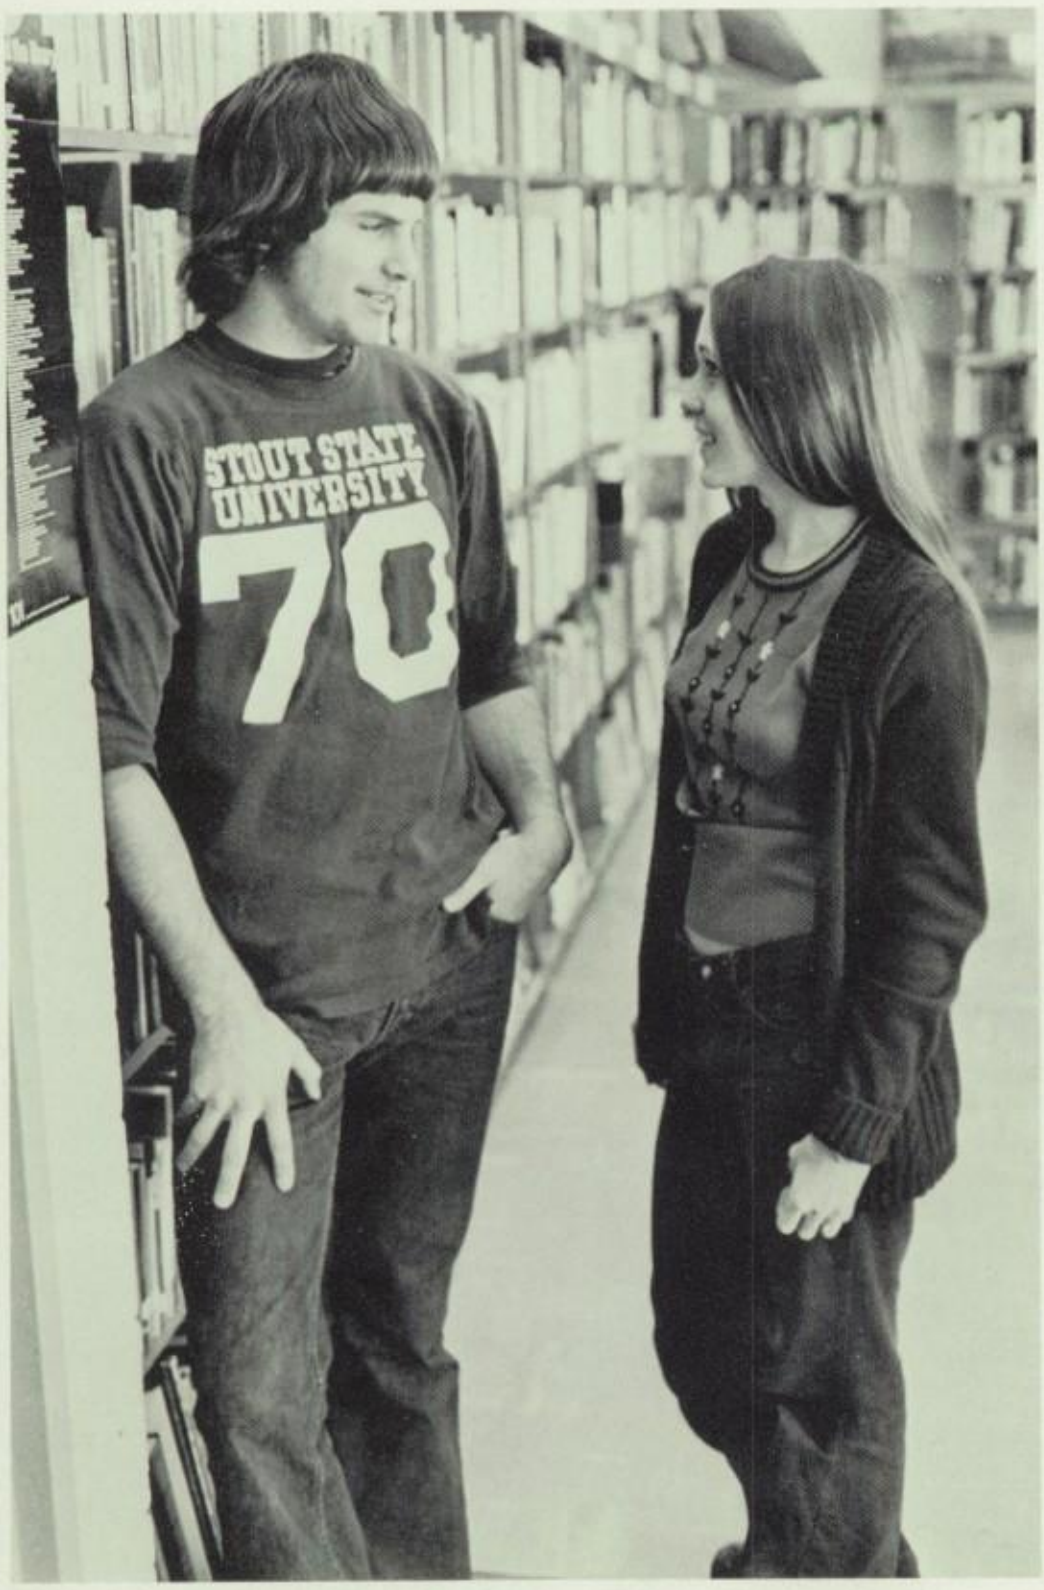
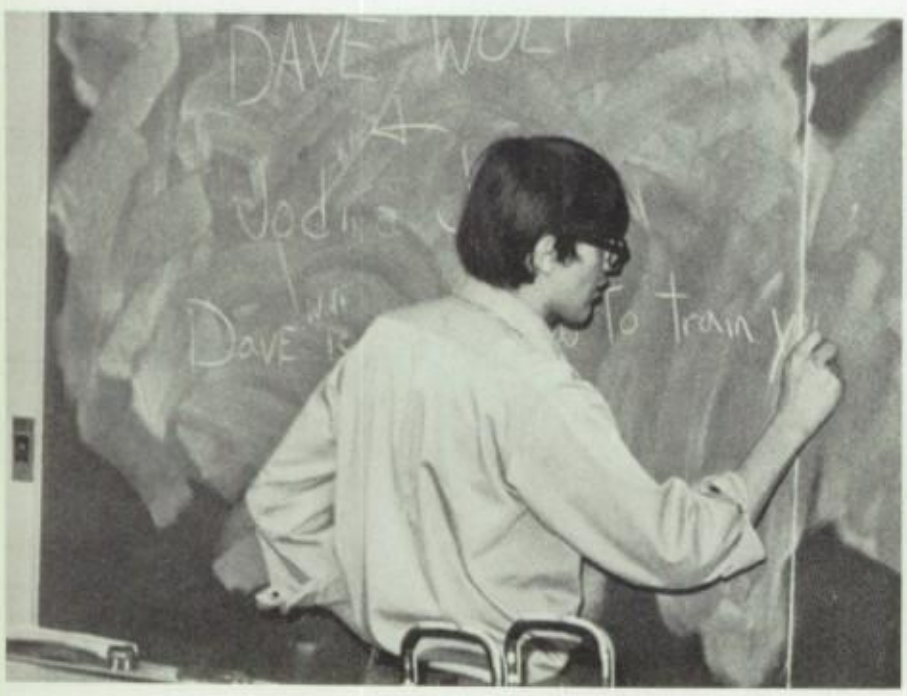
Life — so they say
Is but a game and they let it slip away
Love — like the Autumn sun
Should be dying but it's only just begun

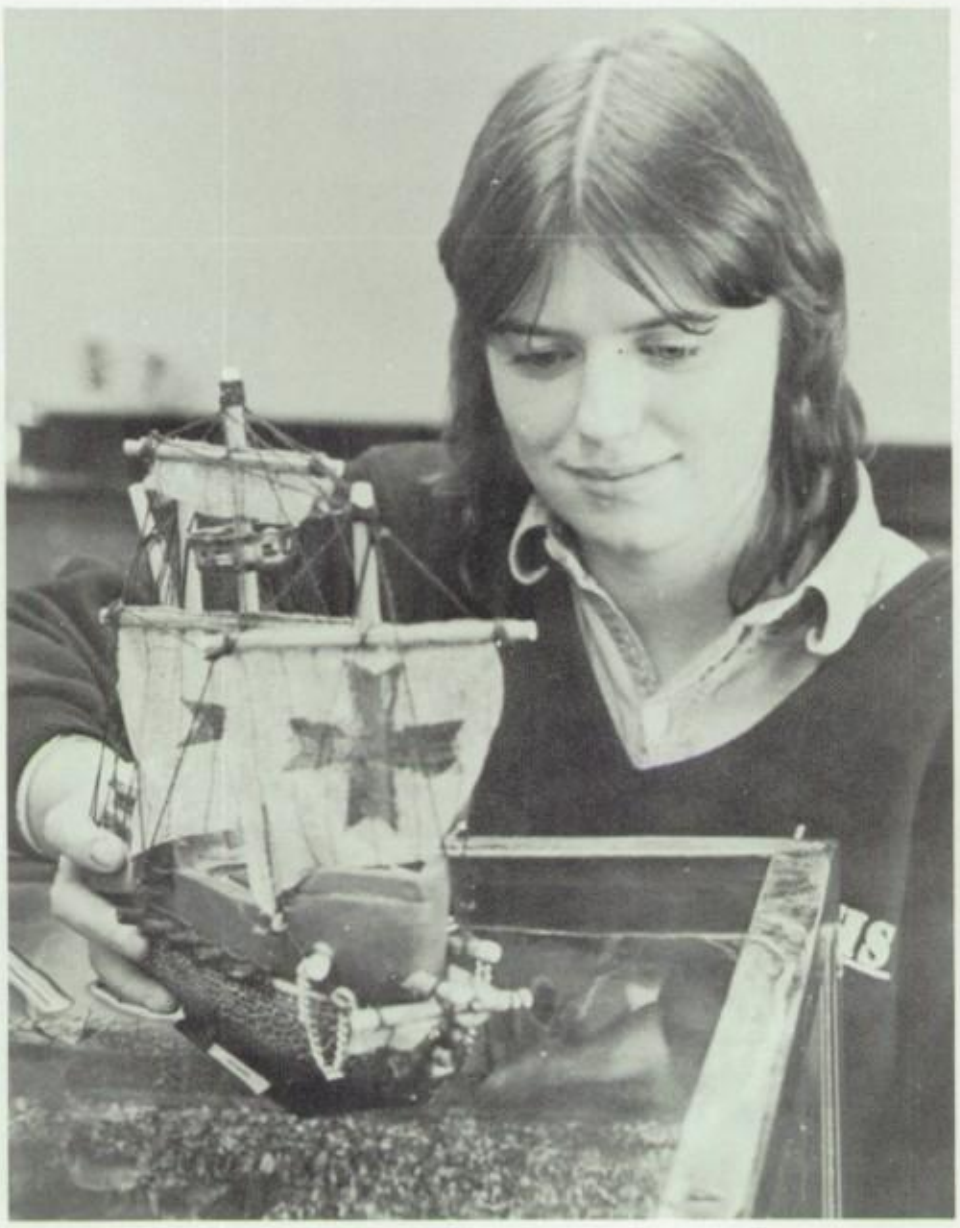


Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up — always up



Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun

Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up — always up



We May Never Pass This Way Again

Homecoming 1973

The students responded to Homecoming Week with much enthusiasm. Reigning over the week's activities were King Dan Luehring and Queen Sue Pachan.
Crazy Day, Kiddie Day, and Gangster Day highlighted the week. It became a busy time with the seniors collecting boxes, and the underclassmen working on floats.
The climax of the week was the game and the dance.

The Way We Were

Mem'ries light the corners of my mind
Misty water color mem'ries of the way we were.

Scattered pictures of the smiles we left behind
Smiles we gave to one another for the way we were.

Can it be that it was all so simple then
Or has time rewritten ev'ry line?

If we had the chance to do it all again tell me
Would we? Could we?

Mem'ries may be beautiful and yet
What's too painful to remember
We simply choose to forget.

So it's the laughter we will remember
Whenever we remember
The Way We Were
The Way We Were.
